

3rd Place – The Possibilities – Zoe Kagan

Zoe is in Grade 8 at Pleasantville Public School in Richmond Hill. She likes to write, but often does not finish stories, so she needs motivation like this contest! She is another student who has entered the CFUW contest last year, submitting her story, “Never Enough”. Zoe enjoys reading science fiction, mystery, and fantasy; she is a big fan of the *Harry Potter* series. This year she was inspired to write her own fantasy story about finding something from another world. Her hobbies include playing the piano and trumpet as well as drawing and painting. She even writes her own songs for the piano.
