

2nd Place – The Ticket – Luke Nguyen

Luke, a Gr. 9 student from Father Michael McGivney Catholic Academy in Markham, enjoys writing, decided to explore writing contests, and found this one. The idea for his story evolved over time; he reflected on events of the 1900s and countries where freedom was restricted. Luke's writing process included lots of editing until he was satisfied with the final product. He enjoys playing tennis and playing the piano, as well as reading many different genres, especially mystery and fantasy. Luke does not have a specific career in mind yet. He is interested in the Sciences, but wants writing to be in his future, if not as a career, as a hobby. We hope to hear from this young author again.
