

WINTER WEATHER

Procedure for Cancelling a General Meeting

If a general meeting must be cancelled because of inclement weather and/or poor driving conditions, members will be notified by email between 2 p.m. and 4 p.m. that afternoon for evening meetings, or between 9 a.m. and 11 a.m. for our February daytime meeting.

Members without email will be notified by phone. If you do not have voicemail, please call Lynn Bird at 905-836-2597. Please check your email or voicemail before you head out to the general meeting.
